

PRIMARY NAMES - FACILITY

This field will display the provider/facility name for the provider/facility. This name will default as the name entered on the PROD (Provider Detail) or PROE (Provider Entry) screens (depending on the type of provider) and can be modified.

PRIMARY NAMES - ABBREVIATED

This field will display the abbreviated name for the provider/facility. This name will default as the name entered on the PROD (Provider Detail) or PROE (Provider Entry) screens (depending on the type of provider) and can be modified.

PRIMARY NAMES - WARRANT

This field will display the warrant name for the provider/facility. This name will default as the name entered on the PROD (Provider Detail) screen (for non-licensed/non-contracted or umbrella providers). For licensed facilities, the warrant name must be initially added on PAKD and can be modified.

SEL

Enter an "A" if you want to add an additional name for the provider/facility "D" if you want to delete an additional name for the provider/facility.

ADDITIONAL NAMES

Enter or modify the additional name for the provider/facility.

CCUBS NAME (Y/N)

This field will display "Y" (yes) if the additional name was received through the interface with CCUBS or "N" (no) if the additional name was not received through the interface with CCUBS. *Additional names with the CCUBS (Child Care Under the Big Sky) flag marked "Y" cannot be deleted.*

Additional Information

In order to change the PROVIDER NAME, you must enter 000 in the PROV NO field. In order to change the FACILITY NAME, you must enter 001, 002, etc in the PROV NO field.

Any name listed on the PAKD screen can be found using the PROS (Provider Search) screen for that name.
