GENERAL RULE -- TANF Information and Referral (I & R) Services is a TANF funded brochure with information and referrals to other various agencies, programs, organizations, and community resources that can benefit the entire household. The Office of Public Assistance (OPA) provides all households with the brochure. By receiving the brochure the household is considered to be receiving a TANF service and may be eligible for expanded categorical eligibility (ECE). This includes elderly, disabled, and childless individuals because the brochure is designed to educate and serve all individuals in the community who want to use the services.
