

ADDENDUM TO SITE SELECTION RFP

REVISIONS AS OF December 1, 2009

Section 1: Introduction and Background

1.05

Change last event to:

Committee Site Designation Due to Governor

April 1, 2010

Section 2: Administration Requirements

2.03

Change last sentence to:

The designation of the site selection committee is binding.

2.10

Change last sentence to:

Based upon site selection criteria scoring and onsite visits to each proposed site, the Committee will designate the most favorable site for location of the southwestern Montana veterans' home, and will forward that designation to the governor no later than April 1, 2010.

2.11

Change second bullet point to:

Acceptable title report will be required prior to final designation of the most favorable location by the committee and its subsequent notice of that designation to the governor.

SCORING CRITERIA REVISION

In Required Criteria for Each Site, change second line to:

Acceptable title report for any proposed site will be required before that site may be designated by the committee as the most favorable location.
