

	Addictive and Mental Disorders Division Non-Medicaid Services Provider Manual for Substance Use Disorder and Adult Mental Health
	Date effective: July 1, 2020 Date revised: July 1, 2020
Policy Number: 205NM	Subject: SUD Laboratory Testing

Definition

CLIA Laboratory Performed Blood or Urine Test may be provided as SUD Drug Testing. A CLIA certified lab must process the test.

Medical Necessity Criteria

The individual must meet the SUD criteria found in this manual.

Provider Requirements

Drug testing must be provided by a state-approved substance use disorder program under contract with the Department.

Service Requirements

Drug tests are limited to one test per 24-hour period per individual. The need for drug testing services must be written into the ITP.

Utilization Management

- (1) Prior authorization is not required.
- (2) Continued stay reviews are not required.
