

Notification of Immunization Exemption

If you are a licensed or registered child care provider and have chosen to accept religious exemptions for children on the grounds of sincerely held religious beliefs, please notify all of the parents/guardians of the children in your program of this decision. Below is a sample communication that you may use in that notification.

Date _____

Memo to all parents/guardians of children enrolled at _____

This notice is for the purpose of communicating the intention of accepting exemption to immunization from children attending _____. This decision is in effect immediately and is in place until further notice.

The decision to accept exemption to immunizations applies to all children attending _____ when parents, in good faith, seek exemptions from immunizations due to sincerely held religious beliefs for their children.

Signed: _____
