Smokefree Housing Policies

*A Montana Board of Realty Regulation Accredited &
Yellowstone Property Managers Association Endorsed Course*

This course will show you how smokefree housing policies can protect public health, make properties easier to rent and less expensive to maintain. This course is designed by the Montana Tobacco Use Prevention Program – MTUPP - which is part of Montana’s Department of Public Health and Human Services. MTUPP aims to reduce tobacco use by offering the Montana Tobacco Quit Line, reduce initiation of tobacco use among youth, and protect Montana citizens from dangerous exposure to secondhand tobacco smoke.

This course contains the following sections:

- Introduction to Smokefree Housing
- Smokefree Housing Policy Benefits
- Federal & State Housing Laws
- Best Practices
- Health Equity
- Resources
- Evaluation & Certificate

This course may take about 2 hours to complete, depending on your pace. **Receiving a course certificate indicates course completion.**

Instructions to access this online course:

1. Visit the course’s webpage: <https://dphhselearn.org/course/view.php?id=315>. Users must have an OKTA account to log in.
2. Enter Username and Password to log into OKTA then click “Log In” and enroll in the course.
3. If you do not have an OKTA account, click “Create new account”
