

BSW 716 Services: Homemaker Chore

March 22, 2021

DEFINITION

Homemaker chore services are provided to members who are unable to manage their own home or when the individual normally responsible for these tasks is absent.

COVERED SERVICES

Homemaker chore activities include cleaning a home requiring extensive clean-up beyond the scope of general household cleaning available under the Homemaker service. When an individual requires one-time only unique or specialized services in order to maintain a healthy and safe environment or to improve or enable the continuance of community living, they may receive highly skilled chore services, which include but are not limited to moving, extensive cleaning, or extermination services. These Homemaker Chore activities may include:

1. Heavy cleaning (e.g., washing windows or walls, shampooing carpets, etc.)
2. Yard care
3. Walkway maintenance
4. Minor home repairs
5. Wood chopping and stacking
5. ~~Costs associated with moving from one residence to another. Moving (as always try to access other resources first)~~
6. ~~Extermination~~
- 7.
